Enroll NOW at ron@ronleach.com

AUDITION DYNAMICS is the most powerful and productive course in on-camera audition technique offered in Canada. Taught in a leading audition facility in Toronto, by Casting Director, Producer, and Director RON LEACH, *Audition Dynamics* is an intensive six week course of study, designed to educate working actors about the process of casting and the winning methods used by leading artists to succeed in the audition room. Class size is limited to only ten actors and a professional reader, guaranteeing individual instruction and an abundant amount of camera time for each actor.

AUDITION DYNAMICS equips each artist with a unique audition skill set, empowering them to self direct their auditions and screen tests greatly expanding their camera skills. Ron Leach's proven course of study focuses on making events happen before the camera; includes a powerful primer on scene preparation; rules for interpreting physical laws in a camera environment; and a remarkable formula to maximize the arc in every scene while demonstrating an acute awareness of text and character!

AUDITION DYNAMICS is available for attendance on consecutive Monday evenings between 6:30 and 9:30 p.m.. All classes are conducted in a professional digital on-camera audition facility at Central Studios 680 Yonge Street, Toronto. Upon course completion, each artist will receive a DVD compilation of their on-camera work.

Fees inclusive of G.S.T. : \$350.00
